# FOURTH ANNUAL HOUSING INSTITUTE

2011

“Housing is Health & Recovery”

June 15 & 16, 2011

California Endowment Center  
1000 North Alameda Street  
Los Angeles, California 90012  
(1 Block North of Union Station)

The Department of Mental Health in conjunction with the Corporation for Supportive Housing, Beyond Shelter, Association of Community Human Service Agencies and Shelter Partnership Inc. is presenting the Fourth Annual Housing Institute. This institute's primary goal is to inform and/or enhance the skills of individuals assisting homeless and formerly homeless individuals with a mental illness and their families to identify, secure and maintain permanent supportive housing. This two-day conference is targeting housing specialists, mental health case managers, onsite housing case managers, property management staff, housing developers and Statewide Mental Health Services Act housing coordinators.

Registration will be available online for Los Angeles County Department of Mental Health (LACDMH) employees and employees of LACDMH contracted agencies with access to the LA County Learning Net beginning May 13, 2011. See the following websites:

- County employees - <http://learningnet.lacounty.gov> ; and
- Eligible LACDMH contracted agencies - <https://learningnet.lacounty.gov>

Interested parties without access to online registration must complete a training application and fax it to Housing Policy & Development at (213) 637-2336 beginning May 13, 2011. [See attached](#). Registration will be limited to five individuals per agency. Training applications and online registration will be accepted through June 3, 2011 or until maximum capacity is reached.

For more information, you may contact Reina Turner at (213) 251-6558.
